

Global Outreach Highlight Mark & Andrea Davis

Girona, Spain—Greater Europe Mission

January 11, 2026

Hola from Girona!!

We are excited to share an update on our mission work in Girona, and invite you to pray for us as we build relationships with the people of this great city we now call home.

Mark continues his language class, and I (Andrea) continue learning through an online course and meeting with our tutor. As we begin to communicate beyond our favorite colors, the weather, or what we're wearing, we've been giving a lot of thought and prayer to what the next step should be for us. Our goal is to communicate with people on a heart level so we can love and serve them more fully, and then introduce them to the person of Jesus.

While we are still quite limited in what we can communicate, we rely on our actions to speak volumes about who we are. One way we are finding our next step is to intentionally invite people into our lives a bit more. We've built surface-level relationships with many families at the kids' school, and now we want to dig a bit deeper. A few families have always sought us out and helped us navigate language and culture. These are the relationships we will be stepping into more deeply, hopefully. Inviting people into our home regularly will give us more opportunities to interact on a personal level, navigate conversations more deeply, and move at a slower pace.

As we mentioned in previous newsletters, since last year, Mark has been helping with the growing "Onboarding and Field Integration" department at Greater Europe Mission in a variety of capacities. The purpose of this department is "to ensure successful onboarding and integration of GEM workers by developing standardized programs that build a solid foundation for ministry that leads to fruitfulness and longevity."

Overall, we're so thankful. Thankful to be here. Thankful to have made some progress in our language learning. Thankful to see some friendships blossom and deepen. Thankful to be a part of what God is doing here. It may be many small things, but bundled together, they're quite significant.

Thank you. We're so grateful to all who make it possible for us to be here. If you'd like to be more connected, don't hesitate to reach out via email or social media. We'd love to chat! (mark.davis@gemission.org)

Prayer Request:

Would you pray for us as we intentionally engage with our neighbors? Many if not most of them don't know Jesus, and we would love to one day introduce them.

Blessings,

Mark and Andrea

Group Discussion Questions

1. Read 1 Peter 1:1-2. If you are in a group, have some read the passage aloud.
2. Imagine a new believer asks you, “Who is Peter?” In two minutes, introduce Peter to this person. What are some things we know about Peter’s personality, ministry, and experience with Jesus?
3. How does the author describe the recipients of 1 Peter in verse 1? Why does he choose this description? (You may want to look at a few Bible translations, as they use different words to describe these people.)
4. Look at verse 2. How might these words serve as a source of comfort to these Christians who felt disconnected and harassed?
5. How does Peter describe the identity of the Christian in verse 2?
6. Instead of encouraging these persecuted Christians to try and escape their oppression, what does Peter pray (the very last line of verse 2) for them to receive from God? Why would Peter pray this way?
7. Why do Christians experience persecution? And how can persecution be of any profit to the believer?
8. One of the challenges the “1 Peter Christians” faced was that they felt displaced from this world, and yet their true home was not something to be grasped yet (think Hebrews 13:14 and Philippians 3:20). Have you ever experienced such feelings as the world no longer being your home, but that your true home is not yet realized? How do you typically handle such transitory emotions?
9. Compared to other places in the world, why do you think we Christians in America face very little persecution?

FOUNDATIONS BIBLE STUDY

A new class begins on February 1st!

When: 9 AM Sundays

Where: Youth Lounge

Who: Adults of all ages

Teacher: Nathan Duncan

Join us for Foundations, an adult Sunday School class exploring the core beliefs and theology of the Christian faith. Together, we will study the great truths of Scripture in an organized and accessible way. This class aims to strengthen our confidence in God's Word and provide a framework for faithful Christian living through a thorough understanding of the Bible, God, Christ, the Holy Spirit, man, salvation, and the church. We will be building a strong theological foundation that shapes how we think, live, and worship. All are welcome.

Key Benefits of Studying Theology

- **Builds Coherent Beliefs:** Organizes the Bible's diverse teachings into logical categories (like Bibliology, Christology, Soteriology) for a comprehensive understanding, preventing a fragmented faith.
- **Answers Big Questions:** Draws on Scripture to address fundamental questions about God, humanity, evil, purpose, and history.
- **Promotes Spiritual Growth:** Deepens knowledge of God, leading to greater Christlikeness and a more robust relationship with Him, as eternal life involves knowing God.
- **Guards Against Error:** Helps discern false teachings, correct misinterpretations, and challenge personal biases or assumptions.
- **Forms a Christian Worldview:** Provides a framework to view all of life through a biblical lens, applying Scripture to every domain.
- **Ensures Faithful Preaching:** Enables preachers to teach the "whole counsel of God," not just appealing or popular parts.
- **Clarifies Biblical Language:** Highlights the Bible's unique use of common words (such as "justice" and "love") in profound, distinctive ways, preventing secular misunderstandings.
- **Encourages Practical Living:** Makes theology relevant and applicable to daily decisions, fostering worship and godly character.

In essence, studying theology helps believers move from knowing isolated Bible stories to understanding what the Bible teaches as a unified whole, leading to a deeper, more grounded faith and life.

The study of theology enables us to teach ourselves and others what the whole Bible says, thus fulfilling the "teaching" part of the Great Commission.

"SPLENDOR" SENIOR SING WORSHIP & PRAYER GATHERING

JANUARY 25
3:00 PM
The Gathering Room

You Are Invited!

Seniors! The Splendor Bible Study group has been enjoying wonderful discussions every week, and often the topic of worship is part of those great conversations. So, we are going to start singing together, offering praise and worship to our faithful God.

The first of these gatherings will be on Sunday, January 25, starting at 3:00 p.m. and ending by 4:00 p.m., so we have plenty of time to sing and then get home before dark. (Nathan is particular about this for safety of "his" people!)

Please join us for a joyful Senior Sing as we lift our voices together in beloved songs of faith. Come celebrate God's goodness through hymns that are both familiar and new. Everyone is invited, and no musical ability is required. We will worship God in "psalms and hymns and spiritual songs, singing and making melody with our hearts to the Lord" (Ephesians 5:19).

Facilitator is Nathan Duncan, and accompanist is the lovely and talented Jean Trent. Meets in the Gathering Room.

Email Nathan with any questions: nathan@cdabible.org.
