GREATER EUROPE MISSION—gemption.org

March 24, 2024

Greetings from beautiful Girona, Spain!! We pray this finds you well and embracing a new year! Wow, how did 2024 come so quickly!? We've now been here for just over a year!

I (Andrea) was able to attend GEM's women's conference in November. This year, it was held in Malaga, in the South of Spain! What a stunningly beautiful place to spend time with fellow women who serve across Europe with GEM. I was able to reconnect with a few friends whom I've known now for several years, and also make some new friends! I came away feeling refreshed, encouraged and so thankful to be a part of an organization who gives priority to our spiritual & emotional health.

We hosted our first Thanksgiving in Spain with the local friends we've been blessed to know. One family from school, our language tutor and her mother (Andrea's old conversation exchange partner), and one of our friends we've come to know through our game night. The evening was spent 50/50 English & Catalan, which just warmed our hearts to be able to sit and enjoy how far God has brought us in our new home.

We continue to dig deep into our language learning every day when interacting with other parents at school drop-off/pick-up, as well as the many birthday parties we get invited to! God has been so generous to give us so many opportunities to build relationships with local Catalans! They've all been so patient and helpful in encouraging us to speak more Català!!

We have seen God open doors for us to share deeper things, introduce topics around faith, and just be ourselves with them. They are hungry for community and authenticity, and we are excited to see how God grows this friendship for His glory. These types of things continue to draw my heart ever close to how much people need the truth of the Gospel and a relationship with Jesus.

We have seen God open doors to us with the local people, with other believers in the city, and we have been affirmed time and time again that this is exactly where God wants us. We can never exactly know what the future holds, but we're excited to see things take shape! We covet your prayers as we continue to step out in faith for what God has called us to here. He is at work, and we are blessed to be a part of it.

Much love,
Andrea, Mark, Eliana & Theophilus

Discipleship Groups: Adults! Growing an intimate love for and trusting obedience to Jesus is one of our key values; we call this discipleship. We encourage our church family to find various forms of healing, meaningful community, and spiritual maturity demonstrated in love for God and others through discipleship. Discipleship Groups (D-Groups) of 4-6 people and other forms of mentoring are organized by mature, trusted leaders in our church towards this end. If you desire to belong to a D-Group, sign up in the lobby or email (zach@cdabible.org).

Pete and Geri Scazzero developed *Emotionally Healthy Relationships* over a 27-year period to directly address core biblical principles to guide you and others into an experience of discipleship that will deeply change your life. In this video-driven class, everyone will learn eight practical relationship skills to develop mature, loving relationships with others.

Each of the eight skills learned in the course is a means to, as members of Jesus' family, work out God's call to love others like Jesus did. The eight skills function as training wheels so people can learn healthy ways of relating in contrast to unhealthy habits learned through family, culture, etc.

Message Review Questions

- Read Mark 11:1-7. Why did Jesus ride into Jerusalem on a humble colt rather than a mighty horse? Was it okay for Jesus to send a pair of disciples to get a colt that belonged to someone else? What was the significance of the colt never being ridden?
- Read Mark 11:8-10. Why were the people so excited and responsive to Jesus' grand entrance into Jerusalem? Was the crowd properly perceiving Jesus and His mission?
- How is what happens in Mark 11 a fulfillment of prophecy according to Zechariah 9:9?
- In what way is Jesus' entrance into Jerusalem the beginning of the end of a long journey? What statement is Jesus making by riding into Jerusalem in this manner?
- Why do you think Jesus waited so long before truly going public with who He is? Does this very public entrance help you to better understand some of the more 'secretive' elements of Jesus' previous behavior?
- Although the people cheered Jesus as he entered Jerusalem, most didn't really understand his true mission. How do people miss out on who Jesus is and what He offers in our current day?
