Dear Coeur d'Alene Bible Church,

Rejoice evermore. Pray without ceasing. In everything give thanks, for this is the will of God in Christ Jesus concerning you. I Thessalonians 5:16-18

This month is another busy month. We are thankful to the Lord for His faithfulness. The Lord has added four new members to this local church by water baptism. As usual, all these four people went through a baptismal class for a few months. The ceremony was held on Sunday, August 10th.

The church conference we had been looking forward to took place August 15th to 17th. Thirty churches from five regions of the country were represented and there were 490 people altogether. There was good fellowship among the people. We had a good sermon from Pastor Laurent from one of the churches from Lome. We had to pay for 4 policemen for security because the government required this. Praise the Lord that we did not have any incidents in which they needed to intervene. Almost every member of Temple Shalom [Pastor Paul's church] was involved in the preparation of this conference by cleaning the rooms and the dormitories where people stayed. What a blessing and joyful time to work together towards this event. We had about 35 people who stayed in our home.

Our daughter, Deborah, had surgery on August 25th. We thank the Lord that everything went well. After seeing the x-ray, the doctors said she would stay for six weeks but after the surgery, they said she will be there for three months or more. Nicole and Deborah stayed in Niger while I returned home alone on August 29th. Niger is a country in West Africa which is about a 3-hour flight from Togo. It is a Muslim country. This hospital is a Christian hospital which is doing a good work, and they are spreading the Gospel. The nurses are very nice to us. Some of the workers are Muslim. In the hospital, there is good harmony among the believers and the Muslims.

Our sincere thanks to each and every one of you for your prayers and financial support for this trip to Niger and for Deborah's surgery. We do not forget the churches and individuals. May the Lord bless you all.

In the Service of the King of Kings,
Pastor Paul & Nicole

GROUP DISCUSSION QUESTIONS

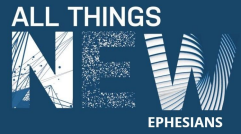

Read through Ephesians 6:5-9, and then work through the following questions:

1. What instructions does Paul give to slaves (and for our purposes, employees) in verses 5-7? Why is it important for a Christian to be a dutiful and conscientious worker? Should we work just as hard for a bad boss as we would for a good boss?
2. What happens to our witness if our work is sloppy, shabby, or shady? How can working hard and thoroughly augment our witness for Jesus?
3. What instructions does Paul give in verse 6? Why is it that we sometimes become more lax or lazy when our boss isn't watching us?
4. Paul writes in verse 7, "Work with enthusiasm as though you were working for the Lord rather than people." How might this mindset help us do better at our jobs?
5. Perhaps we are doing a great job, but our boss doesn't seem to notice. How might Hebrews 6:10 be an encouragement to us?
6. At verse 9, Paul puts the focus on those who are masters. Masters are the people who are in charge and hold authority. (In our culture we call these people "bosses.") What instructions did Paul give to those who have vocational oversight over others?
7. Why would Paul feel the need to tell bosses not to be threatening toward employees?
8. What does Paul mean when he writes these words to bosses: "Remember, you both have the same Master in heaven, and he has no favorites."
9. Take a moment to list out the most desirable qualities in an employee. Then take a moment to list the most desirable qualities in a boss.
10. What's the most important thing you learned by working through Ephesians 6:5-9?

MAN-TO-MAN: A CANCER SUPPORT GROUP

Announcing "Man-to-Man" a new advocacy and support group for prostate cancer patients at CDA Bible Church. This group has come together to provide help and encouragement to men before, during, and after a prostate cancer diagnosis. We know for many men, being vulnerable with other men, talking about our health or our feelings and emotions, can be very difficult; and yet, sometimes that's what we need the most, especially in the new family of Jesus. Our goal in this group is to focus up-on God's presence and comfort while sharing from our own direct, personal experiences as prostate cancer patients, and to pray with and for each other.

We'll meet in the Gathering Room (located next to the church kitchen) on Sundays, immediately after the Sunday morning worship gathering. If you or someone you know has or has had prostate cancer, this group is for you.

First Wednesday Fellowship

October 1, 2025 at 5:30 PM in the Gym

What: On the first Wednesday of each month CDA Bible will host a meal, a time of testimony, and an opportunity for prayer and worship. Our great desire is that those who call CDA Bible home will engage in this fellowship time as ministers and servants towards those who need Jesus' light and love. This will take the place of our regular Wednesday Gathering on these nights.

Why: Jesus desires for his church to serve and care for those who are in need of mercy and love. We are grateful for the work that God has been doing to heal and mature us as individuals at CDA Bible; likewise, we are amazed at the work that God is doing within this church among our families and relationships. We believe it is time to begin bridging the work God is doing inside the church out into the community. Jesus calls his church to be a kingdom of priests [1 Pet. 2v9] and salt and light [Matt. 5v13-16], and this is our move with God in that direction for our whole church family.

Who: We want this fellowship to be an informal and open time where we can invite neighbors, strangers, family members, ministry partners—any who are near or far from Jesus— into true fellowship. The invitation to our church family, that's you, is to come and intentionally serve as ambassadors of Jesus' Kingdom to any and all who come. This is not a meal simply to get to know each other in the church, but an opportunity to serve our community. We invite you to use your gifts and care for a stranger.

How: We'll do this by sharing a simple meal while engaging in conversations that encourage, build up, demonstrate respect and dignity, and point people to Jesus, and by responding to Jesus' love and invitation through testimony, prayer, and worship. We will have some special teams (outlined below) that need to be filled. Ideally, you would serve additionally on a team like this 3-4 times a year:

- **Meal Team:** Simply prepare the meal. We will have a menu made for the year and supplies already gathered. You would just need to come and cook!
- **Hospitality Team:** Set up and break down the tables and chairs. They will help serve the meal, greet, and welcome everyone.
- **Prayer Team:** Come ready to intercede and care for others in prayer.
- **Mercy Team:** Our goal is to have resources available for our community team at each FWF. This team will learn about and share resources with anyone in need.

We sincerely encourage you to make the First Wednesday Fellowship a regular part of your month. Give yourself to this opportunity to serve our body and (we strongly pray) those who need the hope of Jesus in our community.

LIFE LANGUAGES
INTERNATIONAL™

THE LIFE LANGUAGES SEMINAR IS RETURNING TO CDA BIBLE CHURCH ON NOVEMBER 8!

On Saturday, November 8, from 9:00 a.m. to 4:00 p.m., we will again host the all-day LIFE LANGUAGES seminar, presented by counselor Jan Vetter. You can sign up in the lobby on Sunday or call the church office today! 208-664-4883.

So...what is LIFE LANGUAGES all about? It's about learning how you (and those around you) communicate. Life Languages center around the seven languages that everyone speaks: Mover, Doer, Influencer, Responder, Shaper, Producer, and Contemplator. Everyone speaks these languages with varying levels of effectiveness and intensity. The 7 Life Languages are communication styles that fall under 3 Intelligence Categories: Act, Feel, and Think. Each Life Language has its own unique characteristics that reveal your interactive style and preferences.

Here's how it works: before the November 8 seminar, **you'll go online with our special access code** and take the Life Language survey to determine your Life Language profile. The survey costs around \$50 (which you pay at the website). Then, come on out to the seminar with your survey in hand to learn all about how your Life Language functions in real life and what the Life Languages of other people look like. (Wait for the special access code from Pastor Kurt.)

The seminar costs \$15 per person (pay by cash or check at the door). Childcare is available if you contact Marilee (marilee@cdabible.org) as soon as possible.

To learn more, check out the Life Languages website: www.lifelanguages.com (Read more about it, but do not register yet.)
