Honestly, it is sometimes difficult to be grateful with God in every circumstance, especially the challenging ones, but all the more, when our meditation is about the cross. His resurrection hits deep in our hearts, and knowing what happened to our Lord on the cross and his example of suffering, we have no reason to not prostrate ourselves in gratefulness and joy.

So we say thanks to our God for difficult circumstances and for the good moments as well. We are grateful for each moment we have with the people here, with our beloved team, and for all the Lord is teaching us. Thanks be to God for the Cross and the resurrection of our Lord and Savior Jesus Christ! "But the LORD watches over those who fear Him, those who rely on His unfailing love." Psalm 33:18

Our time in the village has been so good and we are thankful. We have had the opportunity to learn and practice the language with various friends and are so eager to understand everything and to reach the capacity to share Truth with them. We are thankful for our little house closer to the ministry. It gives us a lot of opportunities to learn and be a part!

Our coworker Vicente who is Tseltal has been able to do some teaching with a small group. Please pray for their understanding and acknowledgement of Truth. We also see the great need of literacy as the majority don't know how to read or write their own language.

- Please pray for health for all of us and immune system will get stronger here, and what measures we should/can take to aid in that.
- Please pray for Diego's Grandma, Guadalupe. She has been sick and has a broken hip. Pray that she can find help with a good doctor.
- Pray for us in the acquisition of culture and language, it gets overwhelming sometimes with all of it's complexities, but we are eager to do it!
- Pray for our encouragement and for a good attitude when facing difficulties, and also that we would steward our kids well and grow strong in Truth together as a family.
- Pray for our team as a whole; for unity and love for each other, strength and encouragement each day.
- Please pray as we continue the search for land to build a house for better stability and to feel more settled.

We are so grateful to have you guys holding the ropes and we know we are protected with your prayers. Thanks so much for being a part of this ministry with us. We miss you and carry you in our hearts always. May He be glorified!

Because He is Worthy,
Diego, Tammi, and kiddos
Psalm 100:2

CBC Food Bank helps many people in our community. Here are some of the concerns on their hearts: new or better employment, wellness in their family, dialysis, cancer, dangerous neighborhood, migraines, trauma, loss of home due to fire, single parenting, language barriers, and more. Please pray for each person to find hope in Jesus and the genuine love and compassion of their community. CBC volunteers share more than groceries, they listen and pray for those who come for help. Thank you for your generosity through donating and praying. You are making a difference!

Missy Korhummel: Praise! Long story short, she needed a car for months. She went to a car lot and in four hours she drove out with a “new” car. God knew just what she needed—even a place for her dog. PTL! Thanks to all those who prayed for her to have a reliable car.

Linda Barron: Linda praises God for your prayers for her daughter. Sarah is thankful for God’s care and provision in difficult times. Please continue praying for guidance for decisions.

Nathan Duncan: Please pray for our trip to UWMC-Seattle. Nathan has an ERCP (with liver duct dilation), an MRI, lab work, and a Liver Transplant Clinic appointment. Please pray there will be no complications or allergic reactions. Pray for good communication with the transplant team.

Rob (Noe) Cheeley, CBC Missionaries: Please pray for complete recovery from pneumonia and COVID, which he contracted during his trip to China. He is home resting now. Pray for Noe as she continues the process of selling their home in Maui.

Sara Staeuble: Please pray for Sara’s recovery from labral surgery and that she will be free of any complications as she heals and has physical therapy. Praise God that she is doing well and making good progress in healing.

Shirley (Charles) Mooring: Shirley had her surgery, and all went well this time. Pray for healing and recovery.

VBS: Pray for the Vacation Bible School event happening June 24-26 here at CDA Bible. Ask the Lord to send volunteers to prepare the event, lead, and serve. Pray for the hearts of children attending to be open to the gospel message.
