Dear CDA Bible Church,

Thanks again for all your prayers. The training in Arusha city was wonderful, we saw God in action! It was amazing to see the “transformation” in the minds and hearts of the participants, the Word of God never comes back empty.

— WHAT WE TEACH IN THIS DISCIPLESHIP PROGRAM —

**Chronological Teaching:** Very similar to Firm Foundations, however we start in Genesis and finish in Revelation. This helps the students to see the Bible as a whole and not just a bunch of stories that are hard to connect if you don’t see the “big picture.”

**New Life in Christ:** A detailed study based on Romans and 1 & 2 Thessalonians that it is all about our new identity in Christ, living in the Spirit as new creatures and understanding our duties as believers.

**Kairos:** This is a 1-week condensed missions training. It helps to raise awareness about why we should reach all the nations for Christ. It also gives a “new perspective” when we want to reach people from other religions.

**Follow up with Practical Steps for One Year:** After the participants finish the whole program, then we co-teach their local churches. We still are together coaching them and following up with their new assignments. We actually share the “pulpit” teaching and debriefing together in the areas they still need to grow. In this stage they only teach chronological lessons.

Now you have a better understanding of what we mean when we say we run a DISCIPLESHIP PROGRAM, which is basically equipping to equip others!

### Your Prayers are Always Welcome:

- Pray for our family, may God give us strength, humility, and wisdom to take right decisions as we grow and expand the team of teachers.
- Pray for the current team of National teachers. There are about 20 of them in different areas in the country. May God be the one that prepares, provides, and encourages them as they do this ministry.
- Pray for our Ethnos360 co-workers that are also involved in this program. Pray for the curriculum developer team; they developed the first two modules of the program. (Chronological Teaching & New Life in Christ)
- Pray for all the participants, may the Word of God be their firm foundation.

God bless you!

## — Prayer Requests and Updates —

**Luis & Vanessa Lopez:** This week's prayer guide highlights the Lopez family serving in Tanzania. Please pray for the family and ask the Lord to open doors for sharing the Gospel with the Rangì Tribe.

**CBC Food Bank:** In April, the team served 55 people, providing groceries, hearing their stories, and praying for them. Please pray for our neighbors in need. Ask the Lord to bless each person with His hope and peace.

**Rob Dillon:** Rob and Joan appreciate your prayers for Rob as he will be having localized radiation treatment for his liver cancer on May 13th. Thank you.

**Ken Robledo:** Update, he had a second procedure that has extended the time for recovery to the end of May. Please pray for complete healing and renewed hope for better days ahead.

### **Nels Pitotti:**

- Praise God for His healing power in Sandi's life. She is now able to have the collar removed. That gives her quite a bit more freedom of movement, however, she is still struggling with uncomfortable, restless nights.
- Please pray for the Perspectives students as they enter their final weeks of spring quarter.
- Praise God for the leadership of Pastor Kurt and the Board as they lead us on the path of effective spiritual growth.
- Please pray for our world leaders to come to the point of placing their faith in Jesus, be filled with the Holy Spirit and rule us with wisdom.
- Please pray that I would have an opportunity to share the gospel with Nanci and Ken.

We encourage our church family to find various forms of healing, meaningful community, and spiritual maturity demonstrated in love for God and others through discipleship. Discipleship Groups (D-Groups) of 4-6 people and other forms of mentoring are organized by mature, trusted leaders in our church towards this end. If you desire to belong to a D-Group, sign up in the lobby or email ([zach@cdabible.org](mailto:zach@cdabible.org))

**Rebuilding Foundations:** CBC has a support group for separated and divorced women and offers an opportunity to gather and work towards rebuilding solid foundations. ## Youth Group MissionCDA:

July 28-August 2

This summer the youth will be going on a mission in Coeur d'Alene. We will be partnering with local ministries in the area to serve, learn, talk about, and build relationships with people right here in the local community. We are seeking to learn about and experience what it is like to follow and imitate Jesus in slightly different ways each day. While, of course, we will

July 28-Aug 2

also enjoy fun summer activities together during this week, our prayer is that through a week of simple, practical engagement with living out our faith, God will move in all our hearts and lives to change us to be more like Jesus. Middle and high school students are welcome to sign-up.

*Registration is OPEN! Be on the lookout for news and links on Youth Group social media, parent emails, and the weekly newsletter for more details!*
