Dear Friends,

Come and See: We love taking people through the Old Testament stories, whether they are unbelievers or have been saved a long time. As they see God's character and purposes revealed, they grow in their awe and reverence for Him.

In a recent online Come and See study, one of the students asked, "Why would God allow more people to be born after the Flood, when He knew more people would sin and reject Him?" In this story we see the grace of God towards all of us who are alive now, who have the opportunity to have a right relationship with our Creator and Saviour.

Translation Projects: Thanks to your prayers we already have the first 21 lessons of Come and See translated into Chinese. Last week I had the privilege of speaking with Pastor Rodrick in Malawi. He is going to translate Come and See into the Chichewa language of Malawi for use in Bible studies and for radio broadcasts. This week I met with some believers who have already translated 16 lessons into Bahasa Indonesia for use in their Bible study. Each of these teams are working hard, and people are eager to teach these lessons as soon as they are ready.

Community Kitchen: Several times a year our church prepares a meal for the community. We have a great time of fellowship with our team, and the folks who come to eat really appreciate it. It is an opportunity to share a meal, friendship and pray with people who are struggling. We had fun preparing burrito bowls, so people had many dietary options.

Prayer Requests

- Thanks for your prayers for our health, we are doing great.
- Pray for an end to the war in Ukraine.
- Pray for the teams translating Come and See into Chinese, Indonesian and Chichewa.
- Pray for us to be an encouragement and blessing.
- Praise for all the encouragement, prayers and tangible help we receive.

Thanks again for your partnership in the gospel through your prayers, encouragement, and support.

In Christ's Love,

Russ & Karyn

Youth Group Adult Volunteer

We have a thriving youth group. Praise God! But currently we have a very slim team of adult leaders. To be frank, we need more help. We wanted to come with some of our specific needs and ask if you could please pray that God provides who we need, and that you'd consider serving and giving adult volunteering a try this fall.

Here's what we're looking for

1. You are following Jesus. You are over 18. You have been attending CBC for 6+months
2. You have a soft, humble heart to learn
3. You would give your Wednesdays for one school year (September to May), with lots of breaks during holidays, to support our core leaders so they can continue to do long term ministry and not get burnt out.

We currently need one female volunteer to help with middle school girls and 2 female volunteers to help with high school girls. We need one male volunteer to help with middle school boys, and one male volunteer to help with the younger high school boys.

Please come chat with Hannah or Robbie in the lobby after service. We would love to answer any questions, talk about our experience working with youth, and get you connected if you are interested in volunteering this fall.

Thank you!
