## Hugo & Marianna Morales

*Ethnos 360*

We thank God so much for His constant love in our lives and we thank God for you, for your prayers and support, you are such a blessing to us!

### 2022 Year-end update:

We celebrated some birthdays, helped a family during the loss of their baby, went to our first Tsetal wedding, helped a family to move to another house, and received a visit of the Mission consultants. We delivered some grocery essentials for each family in the village donated by Gloria al Padre (missions support organization). We celebrated Christmas with our team and New Year with the Tsetal church.

In 2023, the Lord continues to give us opportunities to help people in the village, make ourselves known and make friends. We celebrate birthdays, we take pregnant women to the hospital in the city, we prepare food and eat together, we go out for a walk with our dogs along with some children, we help shell corn, we help people transport their corn sacks to their homes, we play soccer in a large field and we even receive flowers when we are doing our laundry. In each of these activities we learn new words and practice the ones we already know. People get very excited when we speak their language.

They might seem like everyday and simple things, but each one of them is special. Spending time with children and showing interest, playing with them and appreciating them is something that is not very commonly seen in the culture and is where we can show the love of Jesus.

Recently we had a visit from the security team of the Mission we work with and it was encouraging to spend time with our brothers. We were able to talk about dangerous areas, establish evacuation routes in case of any risk situation (earthquakes, floods, kidnappings, organized crime violence, among others) and we were given recommendations to maintain security and be prepared for any situation.

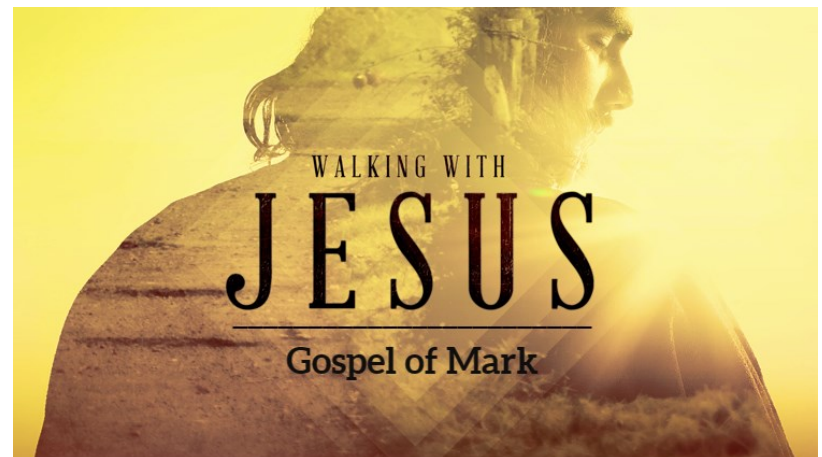

### Prayer requests:

- For wisdom and unity in the team, that God may help us to know how to do His work and that we may be of testimony to the people.
- May the Lord help us in this time of learning language and culture, may He give us the necessary patience and wisdom.
- May the Lord continue to take care of us and provide us with what is necessary as he has been doing so far.

### Mark 2:23-3:6

Review from last our last message in Mark: Jesus wasn't just making things new.

Jesus was making them g\_\_\_\_\_ a\_\_\_\_\_.

When push comes to shove, a true human need e\_\_\_\_\_ religious ritual.

Jesus is the fixed p\_\_\_\_\_ of r\_\_\_\_\_ to which everything in the universe must relate.

If the Pharisees agreed with Jesus, they would have to admit they had become o\_\_\_\_\_-b\_\_\_\_\_ and h\_\_\_\_\_-h\_\_\_\_\_ when it came to regulating the Sabbath.

Scriptures visited in this message: Exodus 20:8-11; 1 Samuel 21:6; Micah 6:7-8; 1 Corinthians 13:1-3

## Message Reflection Questions

*Read Mark 2:23-28 and then reflect with these questions:*

- What were the disciples doing that caused the Pharisees to complain to Jesus? Why was this such a big deal for the Pharisees?
- The Pharisees complained that the disciples were "harvesting." Do you think that word fits for what the disciples were doing?
- What OT example (from 1 Samuel 21:1-6) did Jesus bring up to make the point that the Pharisees might have been too restrictive in their Sabbath viewpoint?
- What point was Jesus making in verse 27? What is the significance of what Jesus declared in verse 28?

*Now read Mark 3:1-6 and work through the following questions:*

- Why do you think the Pharisees in the synagogue were watching Jesus closely? What were they hoping to accuse Jesus of doing?
- Before Jesus heals the man's hand, what argument does He make for doing good on the Sabbath (verse 4)?
- What does verse 5 tell us about Jesus' emotional response to the Pharisee's lack of compassion?
- What do Jesus' responses found in Mark 2:23-3:1-6 (both His words and His actions) tell you about His perspectives on the Sabbath?
- EXTRA CREDIT: What is significant about the fact that Pharisees and Herodians are plotting together to destroy Jesus? (A study Bible would likely have some insight on this.)
