Dearest Brothers and Sisters in Christ,

We are so thankful for you, and we live in that gratefulness every day. Philippians 2:5-8 "Let this mind be in you which was also in Christ Jesus, who, being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men. And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross."

We have the clearest picture of love in the life of Jesus Christ. He left His glory and the heavenly realm to come into this sinful world and give His life for us. This is one of the many passages that motivated us to give our lives in service to the Lord. Why would we not likewise leave the comfort, stability, and familiarity in our lives and give ourselves to the service and will of the Lord? This is why it is such a necessity and blessing to pay attention to the opportunities that God reveals to us in order to serve Him. We are so grateful that He allows us to be part of His work and to share the Gospel with others. What a privilege!

Many months have passed and we want to let you know what God has been doing in our lives! It has been a time of much prayer and seeking the Lord's will for us as a family. We are joining **Equip International** and will continue to serve the Lord here in Chiapas. We know that this change will be beneficial to not only our ministry, but also for us to thrive as a family. In the last few months, we have been in the process of changing with all of the details that entails and we are nearing the final steps. In the meantime, we have been truly amazed at the opportunities God has led us in and are excited to see God working!

Prayer Requests:

- Please pray as we settle back into our home in town and routine. Pray that if it is God's will, we can find a new house, or land to purchase and build.
- Please pray for the final steps of transitioning into the new mission agency. Pray that our support will stay stable among the changes.
- Please pray for the opportunities that are arising not only here in our town, but also on the coast where Diego's family is from. Pray that the people will have a hunger to hear the Word of God and study it.
- Please pray for our kids continual understanding and growth in the Truth.

We can never fully express our gratitude towards you all for your prayers and support for us. It means the world to us and keeps us going strong. We thank the Lord for you and the encouragement you are to us!

Because He is Worthy,

Russ & Karyn Smyth (Global and Local) Praise God for their ministry as missionaries and as advocates for our missionaries. Pray for hearts to be open to the Gospel message, and pray for safety as they travel to bless others.

Alvin & Laurie Thompson (Central America) ask for prayer as Alvin continues teaching in the distance learning seminary, that he would be faithful in that work and connect with students. Pray that Laurie's health concerns are addressed and that both will have strength as they serve the Lord.

Group Discussion Questions

1. Prior to today's message, what was your understanding about Lent? Did you have any misconceptions about Lent? Was there something you appreciated learning about Lent?
2. Lent is viewed as a time to streamline our lives for the purpose of making more room for God. To do this, we have to let some things go that clutter up our lives. How does Jesus' teaching in Matthew 16:24 correlate with the spirit of Lent?
3. When it comes to our worship of God, our expressions typically fall into 2 categories: celebrative and reflective. For the most part, the season of Lent falls into the reflective category. What types of things are good to reflect upon as we approach Easter?
4. The concept of fasting is very common in the Bible, and yet in our culture, fasting for spiritual reasons is almost unheard of. Have you ever fasted? What was your experience like? If you haven't fasted, have you had some fears/concerns that kept you from participating in a fast?
5. Why do you think people in our culture struggle with things that Jesus talked about (and practiced) like slowing down and pursuing quiet for times of prayer?
6. If Jesus is God, why would he choose to go into the wilderness for a time of fasting, praying, and meditating? How should Jesus' example impact our thoughts about fasting?
7. What are some ways God desires to spiritually enrich us when we go without some of the things our flesh craves?
8. Fasting is typically equated with going without food for a time of prayer. What other things might a person go without in order to clear their minds and starve the flesh?

GETTING PERSONAL: Is there a habit or sin in my life that repeatedly gets in the way of loving God with my whole heart or loving my neighbor as myself? What can I do to permanently weed out that habit?

FOUNDATIONS BIBLE STUDY

When: 9 AM Sundays

Where: Youth Lounge

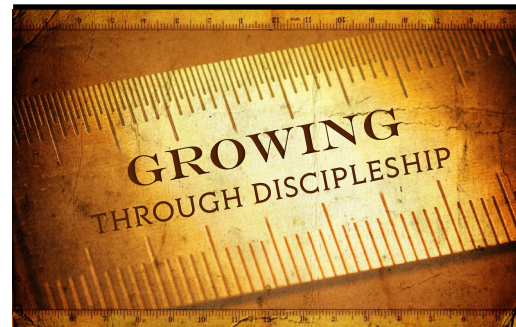

Who: Adults of all ages

Teacher: Nathan Duncan

Join us for Foundations, an adult Sunday School class exploring the core beliefs and theology of the Christian faith. We will be building a strong theological foundation that shapes how we think, live, and worship. In essence, studying theology helps believers move from knowing isolated Bible stories to understanding what the Bible teaches as a unified whole, leading to a deeper, more grounded faith and life. The study of theology enables us to teach ourselves and others what the whole Bible says, thus fulfilling the "teaching" part of the Great Commission. All are welcome. Sign up if you need childcare.

Key Benefits of Studying Theology:

- Builds Coherent Beliefs
- Promotes Spiritual Growth
- Forms a Christian Worldview
- Clarifies Biblical Language
- Answers Big Questions
- Guards Against Error
- Ensures Faithful Preaching
- Encourages Practical Living

D-GROUP FACILITATORS

INTEREST MEETING

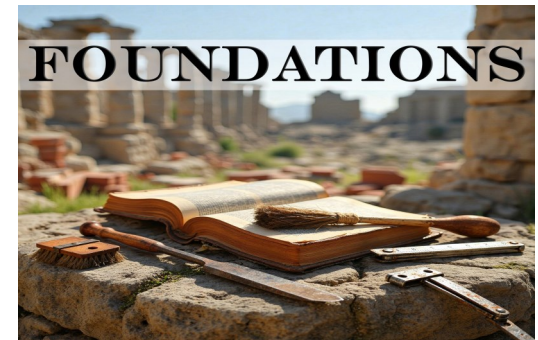

February 15 at 12 PM (TODAY!)

Pastor Zach Penston

Gathering Room

You've probably seen our invitations to join a discipleship group (D-Group). Growing an intimate love for and trusting obedience to Jesus is one of our key values; we call this discipleship. We encourage our church family to find various forms of healing, meaningful community, and spiritual maturity demonstrated in love for God and others through discipleship.

D-Groups of 4-6 people and other forms of mentoring are organized by mature, trusted leaders in our church towards this end. If you are already partaking in this life-giving way to connect with Jesus and your church family, we could not be happier for you! Have you considered taking on the role of a D-Group facilitator? Pastor Zach invites you to join him after church on Sunday, February 15 at noon in the Gathering Room for an informal introduction to the opportunity to serve others in the way that you have been blessed. Stay after church today and connect with Pastor Zach in the Gathering Room.
