

Global Outreach Highlight

Paul & Nicole Assignon— Togo, Africa

International Global Missions

Praise the Lord Nicole had her injections in both knees. Her pains are almost gone, and she is now using only one cane and sometimes none. She is taking prescriptions. I am doing well after my back injury from lifting cement blocks while working on the school building.

The Lord is really at work in our midst here. Our school is one year old. We have added four classes. We built these classes during the last vacation time. We will need more classrooms for next year, but we do not have any more space on this land to build that. There is a piece of land near us for sale and we are looking to the Lord to provide us about \$22,000 to purchase it.

The academic year 2022-23 started in September. Those among us who travelled for vacation came back and several had to leave for another part of the country. The Lord brought new children to our school and the number tripled compared to last year. This year there are many Muslims in the school. Unfortunately, many of these children and their parents are not worshipping the true God. We have introduced Bible study time in our school program. Even the little children are getting what they have been taught from God's word. Some of these children started coming to church on Sunday! Our orphans are doing well. We enrolled two more of them in our school. We now have seven orphans in our school!

We have had some difficulties with holding church and church activities in the open due to government restrictions. We have finished the foundation of the building, but we need God's provision to finish the construction. The Lord continues to faithfully add souls to the congregation.

Prayer Requests:

- Please pray for continued pain relief for Nicole and for complete healing and good health for both of us.
- Please pray for God's provision for the expansion of the school so more children and their parents will come to know Jesus.
- We need your constant prayers regarding the numerical and spiritual growth of church members. Please pray we can soon finish the construction of the building.

Family Reflection Questions

Psalm 27:13-14

Can you think of a time this past year where you had to wait for the Lord's goodness in some way? Take some time as a family and thank God for his goodness!

Psalm 130:5-7

Why can God's people have hope in God, according to these verses? Did you know that showing love to people gives them hope? How can you show love to someone this week?

Luke 4:17-21

What sorts of things does Jesus say he's going to do in these verses? There are still many people around the world who are poor, blind, and oppressed. Pray together as a family that Jesus would help them and give them hope.

Romans 5:1-2

Paul says that Jesus made a way for us to have grace and peace with God. Because of this, we can boast (or rejoice) in God's glory! Take turns singing a line or two from your favorite worship songs that celebrate who God is and the wonderful things that he has done.

1 Peter 1:3-4

Peter says that Jesus' own resurrection from death gives us hope for eternal life! Even while we wait for Jesus to come back someday and give us eternal life, we should live like Jesus did, by showing love to others, caring for those who are sick and hurting, and praising God for his goodness. When we live like Jesus did, we too can give hope to those around us!
